

# **EXPANDING GYMNASTICS OPPORTUNITIES FOR GIRLS IN KARAKALPAKSTAN**

Presented By Shaxsanem  
Djoldasbaeva

# LOCAL CHALLENGES

Limited access to gymnastics in rural district.

Only 1 central location in Nukus.

Ecological crisis (Aral Sea) affecting youth health.

Lack of inclusion for children with disabilities.

# PROJECT GOALS (12 MONTHS)

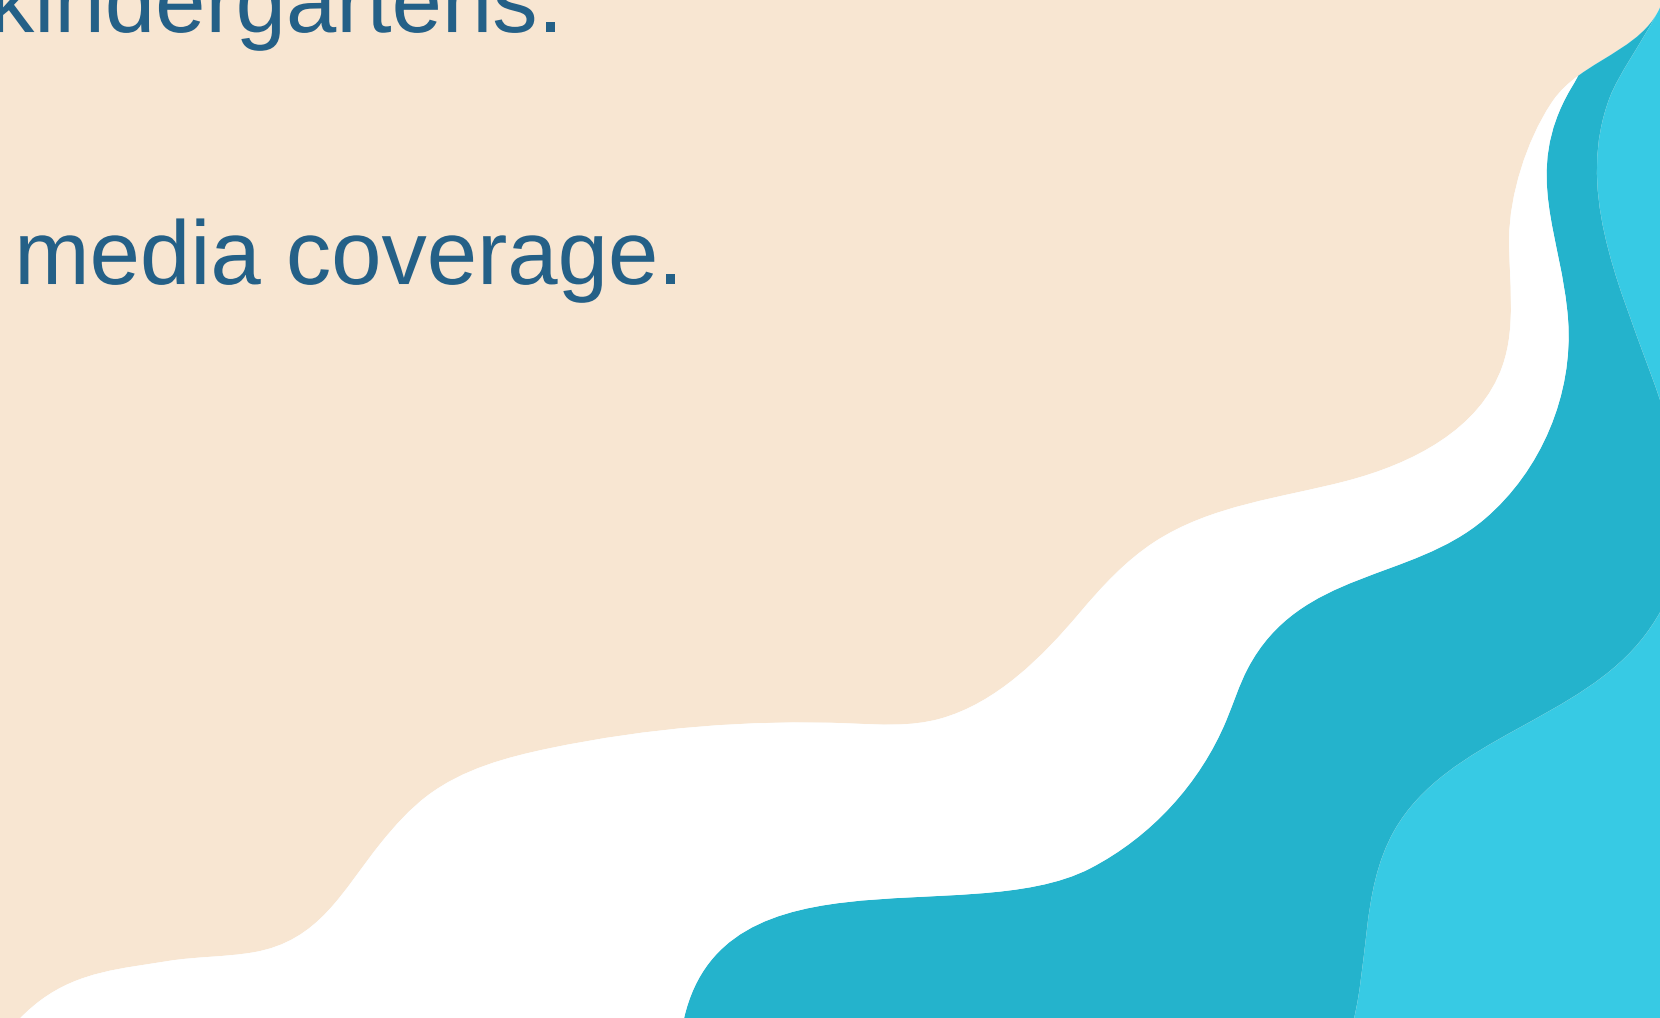

Open 4 new branches our federation; Beruniy, Moynaq, Khojeli, Chimboy.

Equip each branch with modern gymnastics equipment.

Conduct outreach in schools and kindergartens.

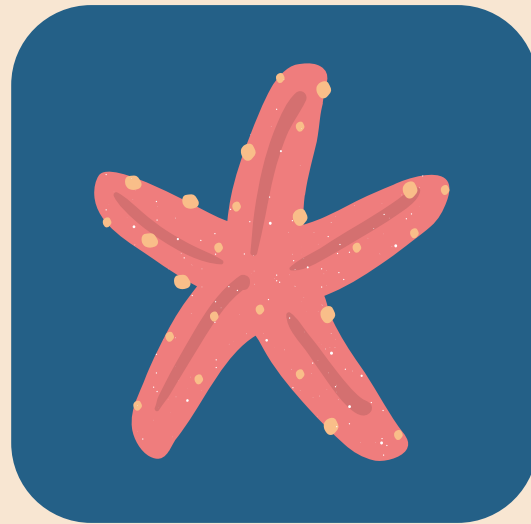

Organize 4 annual competitions.

Hold a public briefing and provide media coverage.

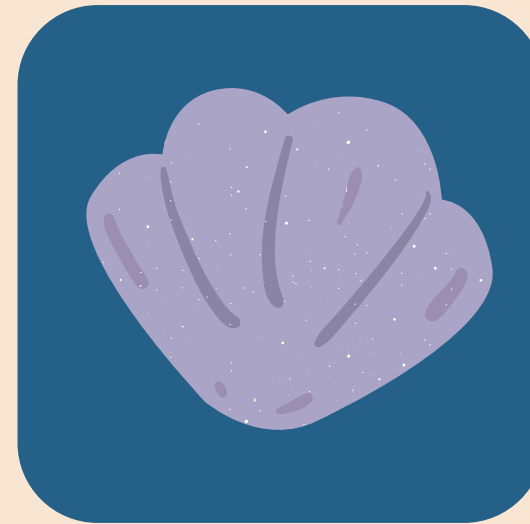

# INCLUSION

Engage young people with disabilities in gymnastics.

Promote girls health, confidence, and social activity  
Create 12 new jobs, female employemen..

Use AI&data to track participation and health outcomes.

# PARTNERSHIPS

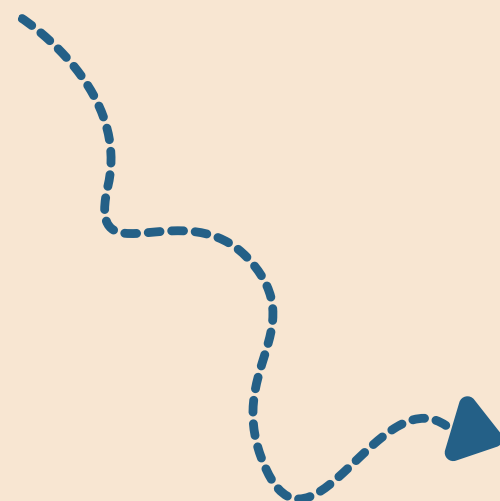

01

Ministry Sport of  
Uzbekistan

02

Ministry of Preschool  
Education of  
Karakalpakstan

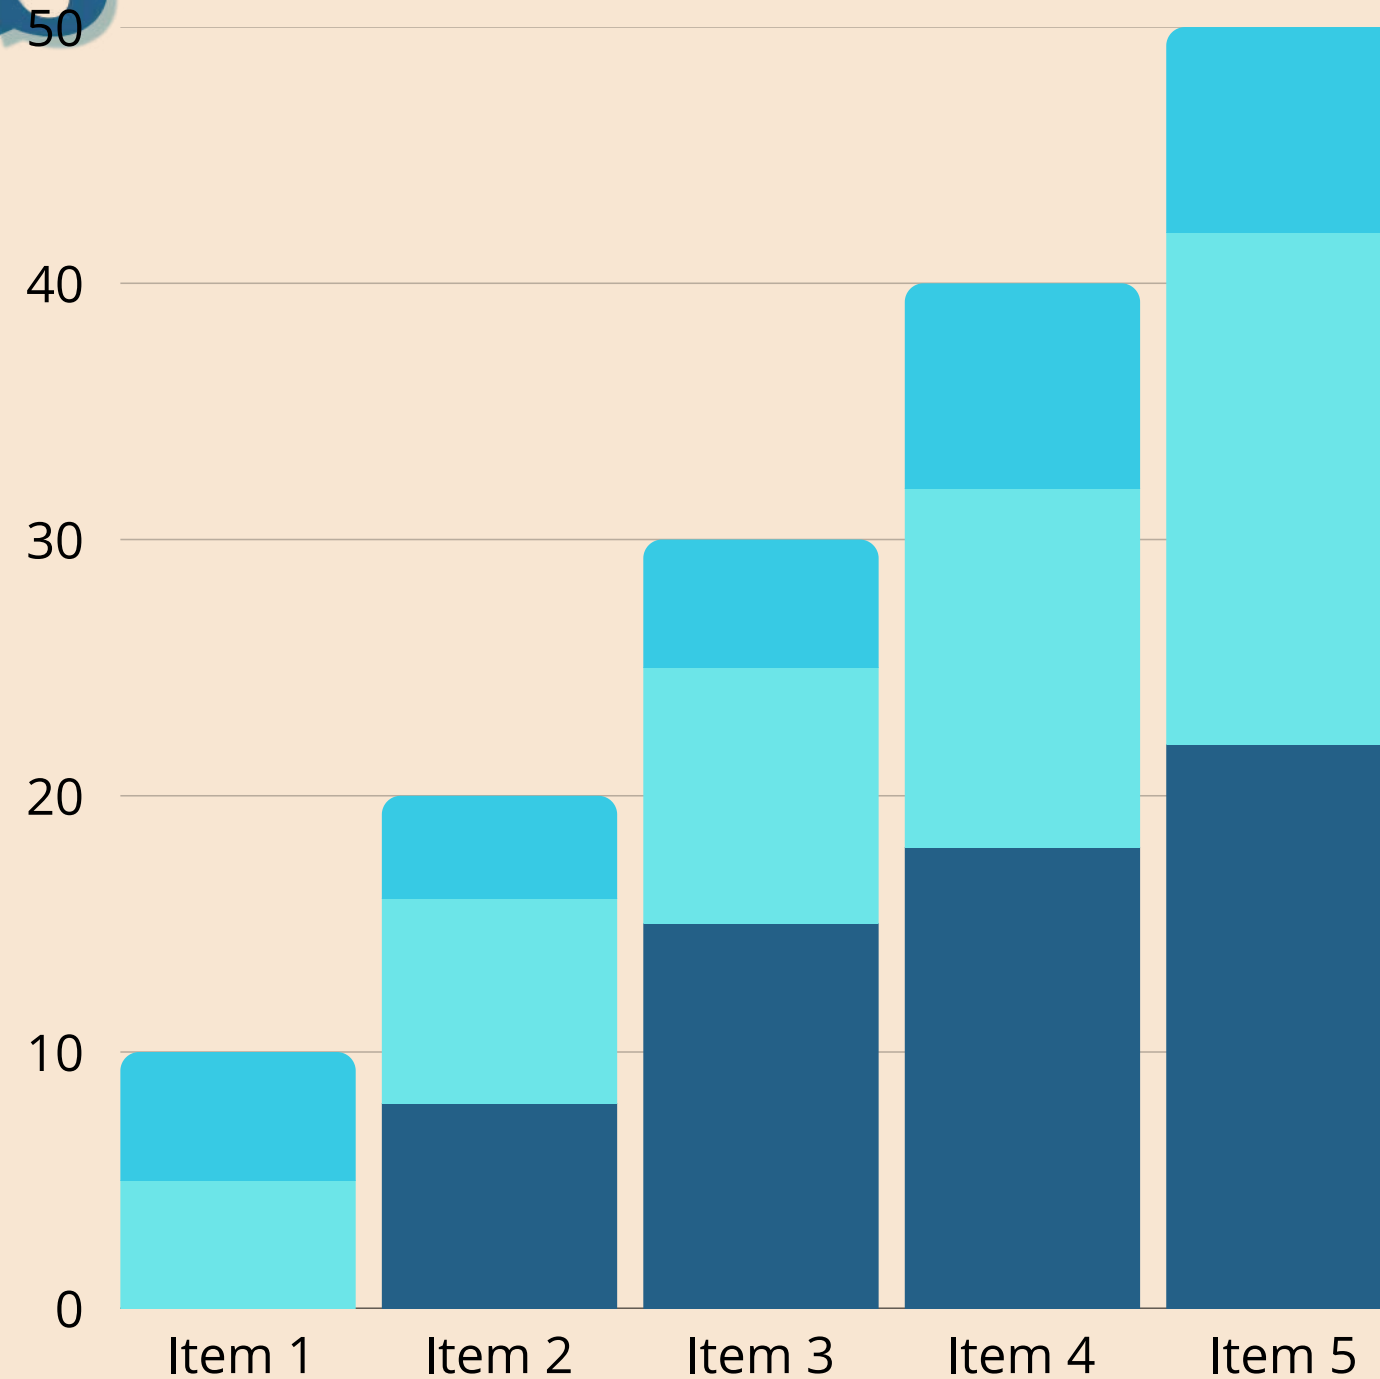

# FUTURE GOALS

2,550+youth currently involded  
(+2000 girls)

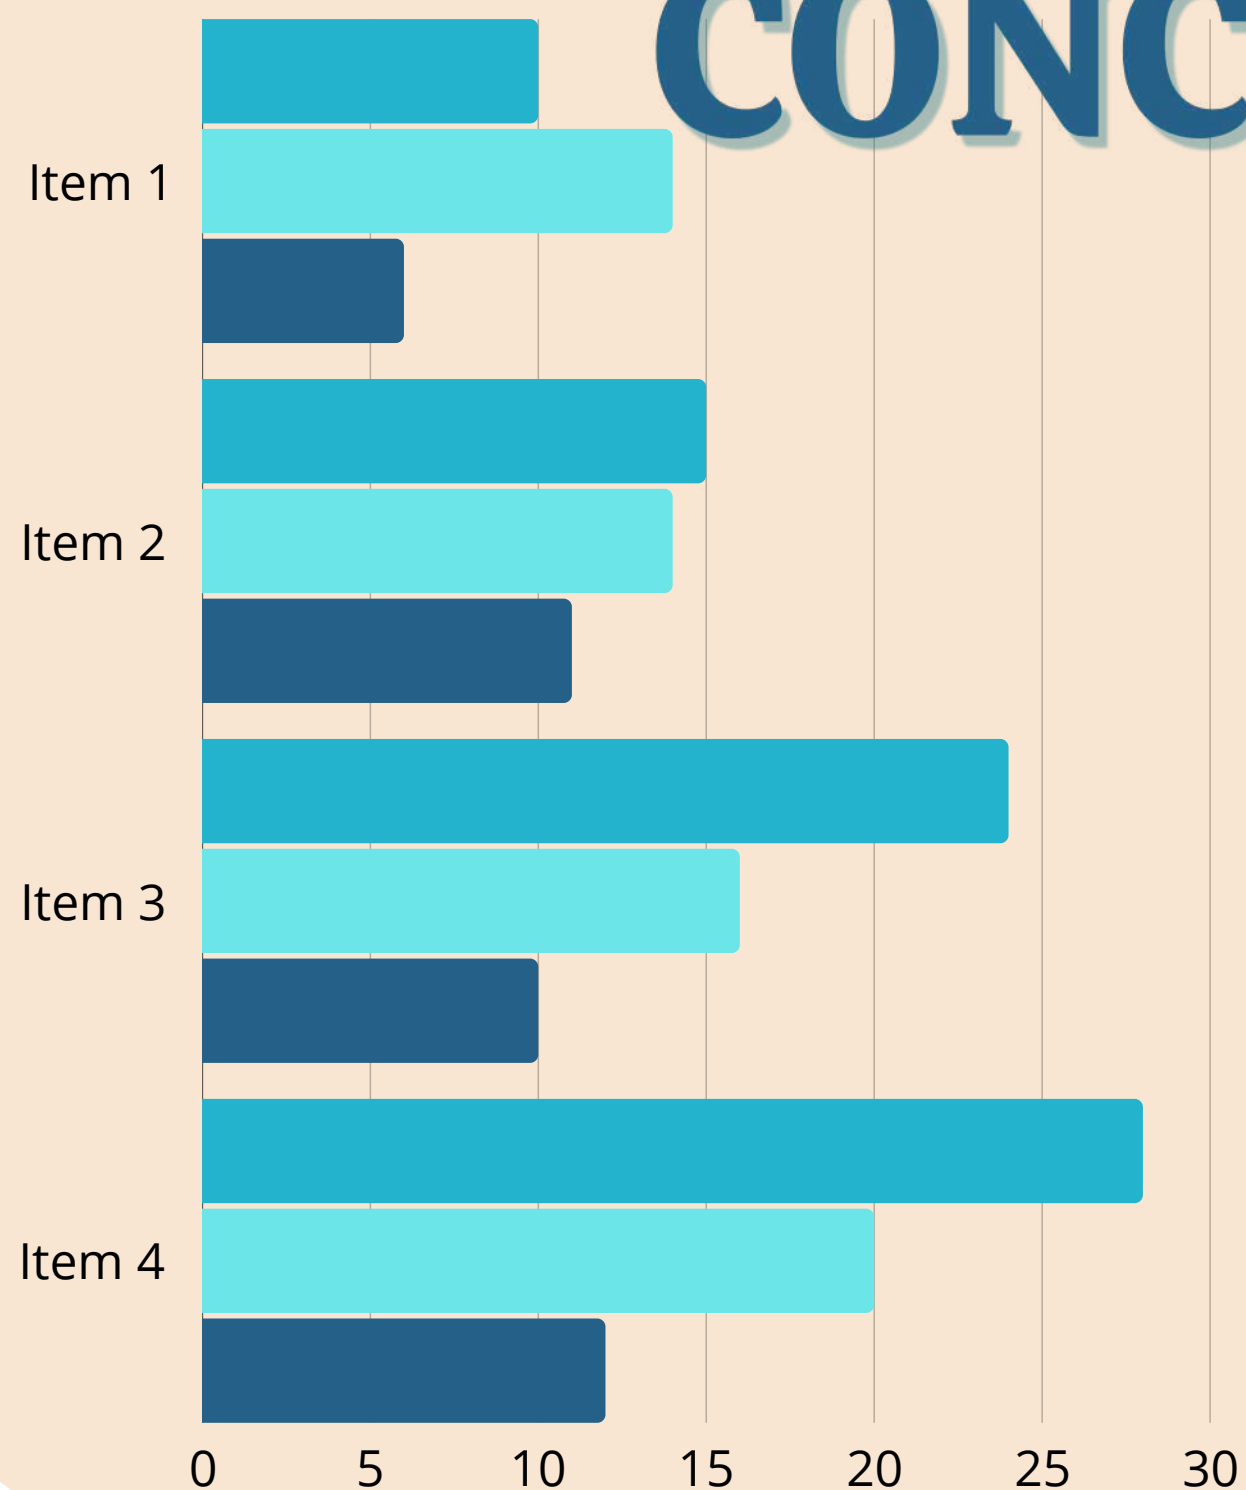

91 active coaches

Aim to grow to 3,500 athletes

Attract 50 youth with disabilities to  
gymnastics

# CONCLUSION

Gymnastics=health=empowerment  
Targeting vulnerable regions (e.g.,  
Moynaq)

Join us in building stronger,  
healthier, and more inclusive future  
for Karakalpakstan girls

# BUDGET

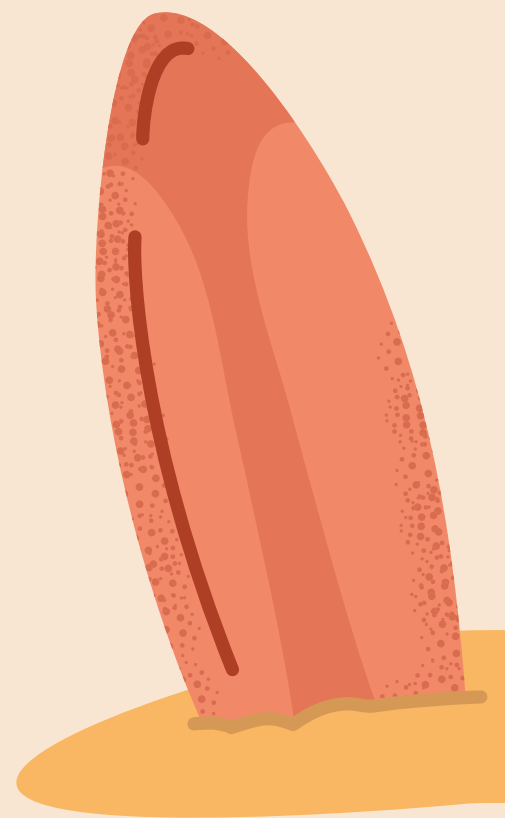

For newly opened branches

\$75,000 for necessary sports equipment

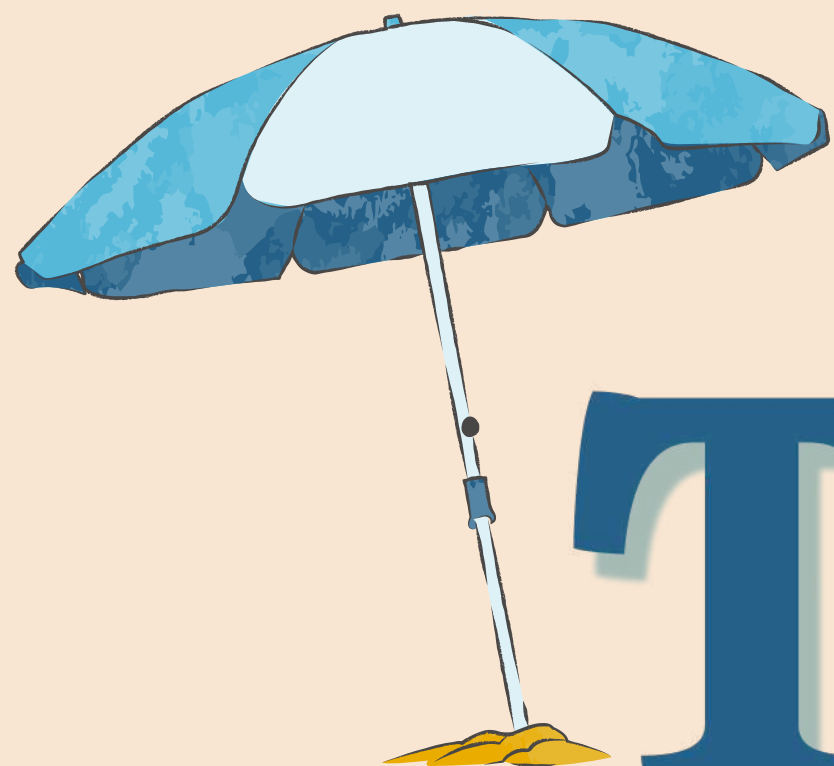

\$10,000 for monitoring services and salary

\$3,000 for competitions

\$2,000 for seminars and briefings

THANK  
YOU
